I just ordered the Reference 450Q for my 2013 access cab today. I was told by one of your guys that I should have my system before Xmas. I let him know in advance (we've been exchanging emails for a couple of months) that I planned to do the installation during the last two weeks of December, and he said that this would not be a problem.

Caution: If you actually build one of these, be sure to route the car's exhaust under the box and out the back so you don't burn a hole in it. Version one of my box died a melting death, taking a nice cordless drill with it. But by screwing a flexible exhaust pipe onto the existing tailpipe, version two has been trouble-free.. This box was the star of the one-month roadtrip to the Gulf of ...
