History. Although General Motors introduced its first pickup truck in 1930, the term "Silverado" was a designation used only to detail the trim for the Chevrolet C/K pickup trucks, Suburbans, and Tahoes from 1975 through 1999. GMC used a few variations of the "Sierra" name (e.g. Sierra, Sierra Classic, and High Sierra); however, Chevrolet still uses the CK and the CC in their current model codes.
