Ableton Live is a software music sequencer and digital audio workstation for macOS and Windows. The latest major release of Live, Version 10, was released on February 6, 2018. In contrast to many other software sequencers, Live is designed to be an instrument for live performances as well as a tool for composing, recording, arranging, mixing, and mastering, as shown by Ableton's companion ...

Ableton Live - Wikipedia

MIDI (/ ˈ m ɛ d i /; short for Musical Instrument Digital Interface) is a technical standard that describes a communications protocol, digital interface, and electrical connectors that connect a wide variety of electronic musical instruments, computers, and related audio devices. A single MIDI link can carry up to sixteen channels of information, each of which can be routed to a separate device.
