

algorithms sanjoy dasgupta solutions pdf

The actual textbook is an excellent introduction to basic classes of algorithms. Most things were pretty clear, and the chapter on NP-completeness ties everything together nicely when it discusses reductions.

Algorithms: Sanjoy Dasgupta Algorithms, Christos H

Machine learning (ML) is the study of algorithms and mathematical models that computer systems use to progressively improve their performance on a specific task. Machine learning algorithms build a mathematical model of sample data, known as "training data", in order to make predictions or decisions without being explicitly programmed to perform the task.
