The Cadillac Escalade is a full-size luxury SUV engineered and manufactured by Cadillac. It was Cadillac's first major entry into the popular SUV market, and is called an SUV even though it meets all the specifications to be considered a truck. The Escalade was introduced for the 1999 model year in response to German and Japanese competitors and to Ford's 1998 release of the Lincoln Navigator.

### **Cadillac Escalade - Wikipedia**

The Cadillac DeVille was originally a trim level and later a separate model produced by Cadillac. The first car to bear the name was the 1949 Coupe de Ville, a pillarless two-door hardtop body style with a prestige trim level above that of the Series 62 luxury coupe.
