

check engine light diagnosis pdf

A malfunction indicator lamp (MIL), or check engine light, is a tell-tale that a computerized engine-management system uses to indicate a malfunction. Found on the instrument panel of most automobiles, it usually bears the legend check engine, service engine soon, or a pictogram of an engine - and when illuminated it is typically either an amber or red color.

Check engine light - Wikipedia

If the check engine light comes on in your Subaru there is always a corresponding code set in the computers memory. You can read about how the system works here.
