You can find your device's manual in PDF format from Linksys Support.. A factory reset will also return the IP address that's configured for your Linksys device back to 192.168.1.1, or whatever the default may be, but doing so could cause problems.. If your Linksys router's IP address is all you're after, please know that it's also almost always the same as the default gateway that's ...
