### **Linksys E-Series Routers User Guide**

Linksys manufactures a series of network routers. Many models are shipped with Linux-based firmware and can run third-party firmware. The first model to support third-party firmware was the very popular Linksys WRT54G series. The Linksys WRT160N/WRT310N series is the successor to the WRT54G series of routers from Linksys. The main difference is the draft 802.11n wireless interface, providing a ...
