Decisions need to be made, priorities need to be set, effective action needs to be taken toward raising public awareness. We must all do our part to educate those around us to what is unfolding, sharing credible data is key. Each and every one of us must do what we can to wake others, all are needed in the front lines of the battle to wake the masses.

[Edit 3/2014: I no longer endorse all the statements in this document. I think many of the conclusions are still correct, but especially section 1 is weaker than it should be, and many reactionaries complain I am pigeonholing all of them as agreeing with Michael Anissimov, which they do not; this complaint seems reasonable.
