Journal of Civil, Construction and Environmental Engineering (JCCEE) aims at bringing into the light the domain of civil, construction and environmental engineering which including civil engineering, acoustics, architectural design, coatings and claddings, architecture and planning, naval architectural engineering, water resource engineering, mineral and metallurgical engineering, and other ...

Journal of Civil, Construction and Environmental

Definitions: The definitions of the terms used throughout this book will be repeated in a number of chapters. The reason for this seeming duplication is to clearly explain the concepts so that a clear understanding is given as to what an accident, near miss incident, or other concept is and how it is defined.
