A "corporation" is a separate legal entity created by charter, prescription or legislation. Australian law, like UK law, recognises a kind of corporation called the corporation sole. However, there are few cases of such corporations, the corporation sole is excluded from the Australian statutory definition of corporation.

Abstract This paper investigates the social and environmental disclosure practices of two large multinational companies, specifically Nike and Hennes&Mauritz. Utilising a joint consideration of legitimacy theory and media agenda setting theory, we investigate the linkage between negative media attention, and positive corporate social and environmental disclosures.
