The General Motors Dealer Standard Accounting Manual and Handbook is not an explanation of the basic and fundamental principles or methods of bookkeeping, but is an accounting manual intended for use by an accountant.

General Motors Dealer Standard Accounting Manual and Handbook

The repair of damage, that is caused because incorrect parts or services being used were not prescribed by the Warranty and Maintenance Manual, will result in the vehicle not being covered under warranty. Manual Transmission Fluid (MTF) For smooth gear rotation and change, a sufficient quantity of manual transmission fluid is necessary.
