A good understanding of Colorado's physical history and rocks requires a feel for large-scale geodynamics. This groundwork article attempts to provide just that context while supporting the photojournals and other groundwork articles that draw on such ideas.. Most importantly, this article seeks to provide a basis for appreciating if not answering the \$64,000 geo-question about Colorado:

Table 2, based on the Army's 77 BCT program, shows the changes in terms of Army battalions. The Army's decision to increase the number of maneuver companies in its modular heavy BCT battalions from three to four makes it necessary to consider the number of combat maneuver companies as well as the number of battalions.
