A block diagram is a diagram of a system in which the principal parts or functions are represented by blocks

connected by lines that show the relationships of the blocks. They are heavily used in engineering in hardware design, electronic design, software design, and process flow diagrams.. Block diagrams are typically used for higher level, less detailed descriptions that are intended to ...

The Minkowski diagram, also known as a spacetime diagram, was developed in 1908 by Hermann Minkowski and provides an illustration of the properties of space and time in the special theory of relativity. It allows a qualitative understanding of the corresponding phenomena like time dilation and length contraction without mathematical equations.. Minkowski diagrams are two-dimensional graphs that ...
