What is ABET? ABET is a nonprofit, non-governmental organization that accredits college and university programs in applied and natural science, computing, engineering and engineering technology.

ABET | ABET accreditation

Systems engineering is an interdisciplinary field of engineering and engineering management that focuses on how to design and manage complex systems over their life cycles. At its core, systems engineering utilizes systems thinking principles to organize this body of knowledge. Issues such as requirements engineering, reliability, logistics, coordination of different teams, testing and ...

Systems engineering - Wikipedia

Mission and goals. The programme provides a preparation particularly focused on issues of design, operation and maintenance of aircraft and their on-board systems.
