The following English words have been acquired either directly from Arabic or else indirectly by passing from Arabic into other languages and then into English. Most entered one or more of the Romance languages before entering English.. To qualify for this list, a word must be reported in etymology dictionaries as having descended from Arabic.

List of English words of Arabic origin (A-B) - Wikipedia

The history of mathematical notation includes the commencement, progress, and cultural diffusion of mathematical symbols and the conflict of the methods of notation confronted in a notation's move to popularity or inconspicuousness. Mathematical notation comprises the symbols used to write mathematical equations and formulas. Notation generally implies a set of well-defined representations of ...
