

engine service soon nissan pdf

The service engine soon light is often mistaken for the check engine light. The check engine light is a light to warn you to a possible issue with your exhaust system or emissions system. The service engine soon light can come on for minor issues like a loose gas cap, or for more major problems such as possible engine failure.

What Does the Service Engine Soon Light Mean on a Nissan

Good afternoon, I have a 2006 Nissan Sentra about 58,100 miles. The car receives the regular oil changes. I got a service engine light and a mechanic saw it.
