From Academic year 2017 - 2018 tamilnadu government, DGE Instructed schools to follow new syllabus and pattern for 11th std. model Question paper for XI also announced by the board for students reference. students can refer blueprint published by board for 11th class students.

Tamilnadu 11th Blueprint HSC XI Class Blue Print PDF

Photographic paper is a paper coated with a light-sensitive chemical formula, used for making photographic prints. When photographic paper is exposed to light, it captures a latent image that is then developed to form a visible image; with most papers the image density from exposure can be sufficient to not require further development, aside from fixing and clearing, though latent exposure is ...

Whiteprint describes a document reproduction produced by using the diazo chemical process. It is also known as the blue-line process since the result is blue lines on a white background. It is a contact printing process which accurately reproduces the original in size, but cannot reproduce continuous tones or colors.
