Friendship is a relationship of mutual affection between people. Friendship is a stronger form of interpersonal bond than an association. Friendship has been studied in academic fields such as communication, sociology, social psychology, anthropology, and philosophy. Various academic theories of friendship have been proposed, including social exchange theory, equity theory, relational ...

Make a plan today. Your family may not be together if a disaster strikes, so it is important to know which types of disasters could affect your area. Know how youâ€™ll contact one another and reconnect if separated. Establish a family meeting place thatâ€™s familiar and easy to find. Step 1: Put together a plan by discussing these 4 questions with your family, friends, or
