Most states have, or are developing, tests to assess their students' proficiency in state frameworks of curriculum. Many of these states are including students with limited English proficiency in this assessment process, but a significant number of LEP students have difficulty passing these standardized tests.

Welcome Message. Welcome to the Florida Department of Education's website. Every day we work hand in hand with parents, teachers, educators and community members to improve Florida's education system for students of all backgrounds and abilities.

Florida Department Of Education

Education in the United States is provided by public, private and home schools.. State governments set overall educational standards, often mandate standardized tests for K-12 public school systems and supervise, usually through a board of regents, state colleges, and universities. Funding comes from the state, local, and federal government. Private schools are generally free to determine ...
