

**fiat stilo workshop manual pdf**

The 508 Balilla was a compact car designed and developed by Fiat in 1932. It was, effectively, the replacement of the Fiat 509, although production of the earlier model had ceased back in 1929. It had a three-speed transmission (increased to four in 1934), seated four, and had a top speed of about 50 mph (80 km/h).
