The Difference between Essays and Reports. A report is a piece of informative writing, while an essay writing is structured around an introduction, body, conclusion, and the essay itself.. While a report always goes to the process of identifying and evaluating the extent of issues in a report, essays focus is slightly different.

Dramatic literature, the texts of plays that can be read, as distinct from being seen and heard in performance.. The term dramatic literature implies a contradiction in that literature originally meant something written and drama meant something performed. Most of the problems, and much of the interest, in the study of dramatic literature stem from this contradiction.
