The Royal Australian Air Force (RAAF), formed March 1921, is the aerial warfare branch of the Australian Defence Force (ADF). It operates the majority of the ADF's fixed wing aircraft, although both the Australian Army and Royal Australian Navy also operate aircraft in various roles. It directly continues the traditions of the Australian Flying Corps (AFC), formed on 22 October 1912.

Many pilots and aviation professionals have expressed significant criticism of the 9/11 Commission Report. Several even allege government complicity in the terrible acts of 9/11. This page of the website is a collection of their statements. The website does not represent any organization and it should be made clear that none of these individuals are affiliated with this website.
