Several different editions of the Dungeons & Dragons (D&D) fantasy role-playing game have been produced since 1974. The current publisher of D&D, Wizards of the Coast, produces new materials only for the most current edition of the game. Many D&D fans, however, continue to play older versions of the game and some third-party companies continue to publish materials compatible with these older ...

Shadowrun is a science fantasy tabletop role-playing game set in a near-future fictional universe in which cybernetics, magic and fantasy creatures co-exist. It combines genres of cyberpunk, urban fantasy and crime, with occasional elements of conspiracy, horror and detective fiction. From its inception in 1989, Shadowrun has remained among the most popular role-playing games.

Stress is the force per unit area on a body that tends to cause it to change shape.. Stress is a measure of the internal forces in a body between its particles. These internal forces are a reaction to the external forces applied on the body that cause it to separate, compress or slide. External forces are either surface forces or body forces. Stress is the average force per unit area that a ...
