With the smaller size and reduced buttons comes a slightly different user experience than the higher end Edge units Garmin makes. The good news is that it's still silly easy to navigate through everything and find all the features of which there are a ton as noted above.

Garmin Edge 130 In-Depth Review | DC Rainmaker

The Garmin Edge series of cycling computers is roughly split into two categories: Those that have a mapping function, and those that don't. Mapping in this case means that the units also have routable navigation just like your car GPS does.
