Suicide is of abiding significance because of the problem it treats and the sociological approach with which it is handled. For Durkheim is seeking to establish that what looks like a highly individual and

Full text of 'Suicide, a study in sociology:'

Law is a system of rules that are created and enforced through social or governmental institutions to regulate behavior. It has been defined both as "the Science of Justice" and "the Art of Justice". Law is a system that regulates and ensures that individuals or a community adhere to the will of the state.

Law - Wikipedia

In microeconomics, the long run is the conceptual time period in which there are no fixed factors of production, so that there are no constraints preventing changing the output level by changing the capital stock or by entering or leaving an industry. The long run contrasts with the short run, in which some factors are variable and others are fixed, constraining entry or exit from an industry.
