Home page for AP students, prospective students and their families. The College Board's AP courses are college-level classes in a wide variety of subjects that you can take while still in high school.

AP Students - AP Courses and Exams for Students - Explore AP

AP students can explore AP courses and exams for students. The College Board offers a variety of AP courses and exams for students in high school. These courses are college-level classes that you can take while still in high school. AP courses are designed to be equivalent to college-level courses. AP exams are standardized tests that are taken at the end of the course. AP scores range from 1 to 5. A score of 5 is the highest and indicates that the student is ready for college-level work. A score of 4 is also considered good. A score of 3 is considered average. A score of 2 is considered below average. A score of 1 is the lowest and indicates that the student is not ready for college-level work.
