fretboard. We're mostly worried about where the half steps naturally occur. Between E and F, there is always a half step or one fret. Between B and C there is always a half step or one fret. This is true anywhere on the guitar neck. Between every other pair of adjoining notes there is a whole step.

### **notes on the guitar**

guitar fretboard. Eventually, you'll start to remember the positions of certain 'landmark' notes that you can use to find your way around when playing songs or soloing.
