1 Enhancing Engineering Higher Education The National HE STEM Programme (2009â€“2012) took place against a backdrop of significant change in the higher education systems in England and Wales.

### **Enhancing Engineering Higher Education**

Science, Technology, Engineering and Mathematics (STEM), previously Science, Math, Engineering and Technology (SMET), is a term used to group together these academic disciplines. This term is typically used when addressing education policy and curriculum choices in schools to improve competitiveness in science and technology development. It has implications for workforce development, national ...
