The Center has been hearing from people unable to access Medicare-covered home health care, or the appropriate amount of care, despite meeting Medicare coverage criteria.

### **Center for Medicare Advocacy || Home Health Care**

Health care or healthcare is the maintenance or improvement of health via the prevention, diagnosis, and treatment of disease, illness, injury, and other physical and mental impairments in human beings. Healthcare is delivered by health professionals (providers or practitioners) in allied health fields. Physicians and physician associates are a part of these health professionals.

Behavioral Health Integration Checklist. The University of Washingtonâ€™s Advancing Integrated Mental Health Solutions (AIMS) Center developed a model of collaborative care for integrating behavioral health into primary care. The model is a team-based approach to care that includes primary care providers, practice-based care managers, and a psychiatric consultant.
