

honda 11hp gx340 engine pdf

The AAA 90034 is a direct drive horizontal triplex plunger pump rated at 4500 PSI max pressure at 4.0 GPM max water flow. The AAA 90034 has a forged brass manifold for strength and durability.

Simpson Cleaning 90034 Direct Drive Horizontal Plunger

I have a 16+- year old pressure washer with a Honda 11hp GX340 where the Annovi Reverberi pump on it had seized. I purchased this one. Frankly, it was harder getting the old one off than it was to set this one up.
