Amazon.com: Air Compressor, Gas GX160 Honda Engine

This is a list of internal combustion engines models manufactured by the Honda Motor Company

List of Honda engines - Wikipedia

A small engine is the general term for a wide range of small-displacement, low-powered internal combustion engines used to power lawn mowers, generators, concrete mixers and many other machines that require independent power sources. Most small engines are single-cylinder, with a few V-twin units. Although much less common, there have been small Wankel (rotary) engines manufactured for use on ...
