I received a letter from Chrysler Canada today informing me that the warranty period (5 years or 100 000 KMs) on the 3.6L engine left cylinder head has been extended to 10 years or 240 000 KMs.

Chrysler extends left cylinder head warranty to 10 years

Energy development is the field of activities focused on obtaining sources of energy from natural resources. These activities include production of conventional, alternative and renewable sources of energy, and for the recovery and reuse of energy that would otherwise be wasted. Energy conservation and efficiency measures reduce the demand for energy development, and can have benefits to ...
