I'm looking at an IH 434 diesel, serial # B10124. It has the BD-154 engine. Can anyone narrow down the year of manufacture on this tractor. I've found that the 434 replaced the B414 in 1966 & appears to have been produced to about 1971 when it was replaced by the B444, but I can't find any serial numbers for these British built machines.
