The original iPad does not contain all of the features of the iPad 2 or iPad 3rd generation. If you bought the iPad when it was first launched and have not updated the operating system, this manual will give you accurate information on how to use all of the features.

### **Download the iPad Manual - All Versions**

Most manuals that Apple releases for the iPad are specific to a version of the iOS, rather than the device

itself. That's likely because a lot more changes from version to version in the iOS than it does in the hardware of each iPad model.
