

manual accounting information system pdf

Accounting Manual. The basic purpose of the Accounting Manual is to provide campus accounting officers with direction and guidance in connection with those accounting transactions, procedures, and reports that should be uniform throughout the University.

Accounting Manual | UCOP

An accounting as an information system (AIS) is a system of collecting, storing and processing financial and accounting data that are used by decision makers. An accounting information system is generally a computer-based method for tracking accounting activity in conjunction with information technology resources.
