In music, transcription can mean notating a piece or a sound which was previously unnotated, as, for example, an improvised jazz solo. When a musician is tasked with creating sheet music from a recording and they write down the notes that make up the song in music notation, it is said that they created a musical transcription of that recording. . Transcription may also mean rewriting a piece ...

Transcription (music) - Wikipedia

A sales call reporting template is used to track key details about oneâ€™s customers and calling activity. When organized properly, call reports help you measure the productivity of your sales team, the health of your pipeline and allow salespeople to pick up on past conversations quickly by reviewing their notes.
