European Co-operation in Environmental Engineering. The Confederation of European Environmental Engineering Societies, CEEES, is a forum for international co-operation and information exchange regarding the resistance and integrity of products and systems against environmental influences.

CEEES - Confederation of European Environmental

DBS Consult is a Construction Claims and Dispute Management practice operating out of Dubai, UAE. The practice focuses on achieving settlement of Owners and Contractors' construction and engineering disputes across the GCC and beyond.

DBS Consult | International Claims & Dispute Management

Technical drawing, drafting or drawing, is the act and discipline of composing drawings that visually communicate how something functions or is constructed.. Technical drawing is essential for communicating ideas in industry and engineering. To make the drawings easier to understand, people use familiar symbols, perspectives, units of measurement, notation systems, visual styles, and page layout.

Technical drawing - Wikipedia
