News and Announcements All the users are requested to check their library account after every transaction. If there is any discrepancy found, they should report it to the counter staff same day/next working day before closing of the counter.

Mahatma Gandhi Central Library, IIT Roorkee

The basic principle of distance relay is that the apparent impedance seen by the relay, which is defined as the ratio of phase voltage to line current of a transmission line (Z_{app}), reduces drastically in the presence of a line fault. A distance relay compares this ratio with the positive sequence impedance (Z_1) of the transmission line. If the fraction Z_{app} / Z_1 is less than unity, it ...
