Larry Koopa: Larry Koopa is the youngest Koopaling who is often seen at the forefront of the Koopalings' antics, and he wields the orange magic wand. His main color representation is sky blue, although his shell was originally colored green, his hair was white in early sprites, and he lacked the small star on the side of his face.

Surface-supplied diving is diving using equipment supplied with breathing gas using a diver's umbilical from the surface, either from the shore or from a diving support vessel, sometimes indirectly via a diving bell. This is different from scuba diving, where the diver's breathing equipment is completely self-contained and there is no link to the surface.
