Learn about the latest consumer electronics Sony has to offer, discover features of our products and find the ones which would suit your needs.

Consumer Electronics | Sony US

The head unit is the centerpiece of the car's sound and information system. Typically located in the center of the dashboard, modern head units are densely integrated electronic packages housed in detachable face plates. As high-end head units are common targets for theft, many head units are typically integrated into the vehicle's alarm system.
