700 series | Perkins

The 700 Series is a line of quiet, naturally-aspirated, 4-cylinder, liquid after-cooled engines. The 700 Series's versatility meets the needs of four markets with different needs: forklifts, compressors, a new generation of more compact agricultural tractors and construction materials.

700 Series - Perkins QM

900 Series Model CT. Engine identification. Perkins 900 Series spark ignition engines have the code letters CT. The engine number is stamped on the left side of the cylinder block (A). The engine number is also on two labels fitted to the engine, one is on the timing case cover and the other is on the front of the cylinder block.
