Welcome to remotecodelist.com a site born after losing one too many universal remote manuals. If you have a remote for which you know the codes (or a web page that lists them) head to the contact page to submit them. Note: This site does not sell remotes, it is merely a list of remote control instructions and codes.

**Universal Remote Control Codes**

A portable media player (PMP) or digital audio player (DAP) is a portable consumer electronics device capable of storing and playing digital media such as audio, images, and video files. The data is typically stored on a CD, DVD, BD, flash memory, microdrive, or hard drive. Most portable media players are equipped with a 3.5 mm headphone jack, which users can plug headphones into, or connect to ...

The Compact Audio Cassette (CAC) or Musicassette (MC), also commonly called the cassette tape or simply tape or cassette, is an analog magnetic tape recording format for audio recording and playback. It was developed by Philips in Hasselt, Belgium, and released in 1962. Compact cassettes come in two forms, either already containing content as a prerecorded cassette, or as a fully recordable ...
