The Piper PA-31 Navajo is a family of cabin-class, twin-engined aircraft designed and built by Piper Aircraft for the general aviation market, most using Lycoming engines. It was also license-built in a number of Latin American countries. Targeted at small-scale cargo and feeder liner operations and the corporate market, the aircraft was a success. It continues to prove a popular choice, but ...

Many pilots and aviation professionals have expressed significant criticism of the 9/11 Commission Report. Several even allege government complicity in the terrible acts of 9/11. This page of the website is a collection of their statements. The website does not represent any organization and it should be made clear that none of these individuals are affiliated with this website.

"It is with the submarine that the initiative and full freedom of the seas rests. The aircraft carrier, whatever realistic scenario of action is drawn--that of operations in great waters or of amphibious support close to shore--will be exposed to a wider range of threat than the submarine must face.

Never Say Never Again: Aircraft/Amphibious carriers must

Washington Post, to its credit, has been running a series on "poor and white in rural America" telling how job loss, wage reductions, rising serious drug addiction are devastating this group of people to the extent their life expectancy is falling.

It makes a very convincing case that the Saudi Government was involved in an act of war against the United States. Not simply terrorism -- remember, the Pentagon, a military target, was one of the locations hit. The other intended target for the plane that went down in PA was the Capitol.

An Act of War: CIA Leak Gives Incontrovertible Evidence

A consideration for this: If warfare is about causing the maximum destruction, these space siege scenarios make sense. If warfare is about achieving political objectives by other means, you need to either leave someone to negotiate the surrender with, or leave something worth occupying.
