The book An Essay on the Principle of Population was first published anonymously in 1798, but the author was soon identified as Thomas Robert Malthus. The book predicted a grim future, as population would increase geometrically, doubling every 25 years, but food production would only grow arithmetically, which would result in famine and starvation, unless births were controlled.

WHAT IS A CRITICAL THINKING ESSAY? Many college assignments require you to support a thesis. The concept of a critical thinking essay is that you start without an end in mind. You don't necessarily know how you feel about a subject or what you want to say about the subject – you allow the research and your own thinking to determine the outcome.
