Nine Ways Community Pharmacies Have Profitably Implemented Enhanced Care Services; What You Need to Know and Do for Track and Trace Compliance ; Mental Health First-Aid: More Valuable than CPR?

About NCPA - ncpanet.org

Retail is the process of selling consumer goods or services to customers through multiple channels of distribution to earn a profit. Retailers satisfy demand identified through a supply chain. The term "retailer" is typically applied where a service provider fills the small orders of a large number of individuals, who are end-users, rather than large orders of a small number of wholesale ...

Retail - Wikipedia

In the United States, a pharmacy benefit manager (PBM) is a third-party administrator (TPA) of prescription drug programs for commercial health plans, self-insured employer plans, Medicare Part D plans, the Federal Employees Health Benefits Program (FEHBP), and state government employee plans. As of 2018 they have become industrial behemoths in the US health sector.

Pharmacy benefit management - Wikipedia

Provider Medical Affairs | BlueCrossMN

The Board recommends and encourages pharmacies and pharmacists to increase access of sterile syringes and naloxone to the public. Pharmacies are important public health partners for infectious disease and drug overdose prevention.

Board of Pharmacy Position Statements

In recent decades, policy across the country has privileged the biggest corporations. Yet a growing body of research is proving something that many people already know: small-scale, locally owned businesses create communities that are more prosperous, entrepreneurial, connected, and generally better off across a wide range of metrics.
