A bailout is a colloquial term for the provision of financial help to a corporation or country which otherwise would be on the brink of failure or bankruptcy.. The term is maritime in origin and describes the act of removing water from a sinking vessel using a bucket. A bailout differs from the term bail-in (coined in 2010) under which the bondholders and/or depositors of global systemically ...

Shareholders should be realistically allowed to directly select corporate director candidates via the SEC Shareholder Proposal procedure. The days of corporate paternalism should be ended. Corporate governance problems will only be cured when Shareholders can easily remove incompetent/corrupt Directors, i.e., vote them out of office.

This is the Catch 22 about wicked problems – you cannot learn about the problem without trying solutions, but every solution you try is expensive and has lasting unintended consequences that may spawn new wicked problems. With wicked problems, every resolution is consequential; it leaves ramifications that cannot be easily undone.
