CableCARD is a special-use PC Card device that allows consumers in the United States to view and record digital cable television channels on digital video recorders, personal computers and television sets on equipment such as a set-top box not provided by a cable television company. The card is usually provided by the local cable operator, typically for a nominal monthly fee.

E-democracy (a combination of the words electronic and democracy), also known as digital democracy or Internet democracy, incorporates 21st-century information and communications technology to promote democracy. It is a form of government in which all adult citizens are presumed to be eligible to participate equally in the proposal, development, and creation of laws.

E-democracy - Wikipedia

Sun, Nov 04, 2018. I had been a 6 yrs + customer of theirs and within the past few years, service and speed had taken a nosedive. My service would cut in and out and I would have to reset.
