Business Solutions, Services and Technology from Samsung

Unified communications (UC) is a business and marketing concept describing the integration of enterprise communication services such as instant messaging (chat), presence information, voice (including IP telephony), mobility features (including extension mobility and single number reach), audio, web & video conferencing, fixed-mobile convergence (FMC), desktop sharing, data sharing (including ...

Unified communications - Wikipedia

The two BEST things about the digital Registry Procedures Manual are that the manual will be updated two times a year instead of on an annual basis -- automatically and seamlessly -- and the digital manual format will allow you to keyword search for what you need! If you're half as excited about the new format of the Registry Manual as we are, there are a few things you should know:
