Class XI (Theory) Duration: 3 hours Total Marks: 70 Unit

National Health Mission (NHM) is committed to provide accessible, affordable and accountable quality health services to the last person of the last household of the last village.

National Health Mission (NHM) | Government of Jharkhand

DNA computing is a branch of computing which uses DNA, biochemistry, and molecular biology hardware, instead of the traditional silicon-based computer technologies. Research and development in this area concerns theory, experiments, and applications of DNA computing. The term "molelectronics" has sometimes been used, but this term had already been used for an earlier technology, a then ...
